

# **PENNY CHALLENGE**

**2010 Penny Goal: \$1,000**

**We still want you to collect those pennies,  
but here is a new twist.**

**We encourage you to take your pennies into First Capital Bank of Kentucky in Fern Creek anytime before the GALA. They will help you run them through the coin machine and give you a certified GALA voucher. Then all you have to do is bring the voucher that night instead of tons of loose pennies. What a great idea!**

**We will also have penny vouchers on sale the evening of the GALA in case you just want to write a check or use your credit card.**

**As always the table with the most pennies wins a prize.**

**Warning: Paper and silver money added to your collection that night gets subtracted from your total.**

**Remember last year?**

**Bring your paper money, coins, and checks to add to other tables and let's have fun raising money to help our neighbors in need!**
