Ron's Ramblings: execdir@fchum.org

After all the snow and messy weather of this winter, it is great to see the emerging green promises of springtime.

God continues to bless our efforts in providing assistance to our neighbors in need. We thank all of you who have helped with your service or your donations. Inside you will read about more ways to help. There are various matching opportunities available to us right now that can maximize your gifts. Our annual GALA is just around the corner, there is information about how you can be involved helping with that effort as well. We have many great items for our auction, including a couple of antique quilts created by an award winning quilter. Check our website at www.fchum.org for early bird bidding. You will also find information about several of our Community Partners. I encourage to also visit our website: www.fchum.org where you can find even more information. Our Legacy Fund program is off to a good start and inside you can find out more about that.

Speaking of legacies, if you have been a regular supporter of FCHUM we would like to ask you to consider remembering FCHUM in your will. What a wonderful legacy - to continue giving after you have written your last check!

*God's Peace & Blessings,
Rev. Ron Loughry, Executive Director*
