The Bylaws indicate there shall be up to two Board representatives (ambassadors) from each church.

The Board members serve as the ambassadors from FC/HUM to the church and vice versa. Since the main work of a Board is done in task forces, Board members should also serve on a task force. Ideally, Board members would have the gifts needed to serve on these task forces, and/or the gift for recruiting people to serve on these task forces or in our ministry programs.

Please list your appointed Board members:

E-mail: _____	E-mail: _____

The Bylaws also indicate that member congregations will make a financial contribution to FC/HUM. While the amount is left up to the church to prayerfully consider, this pledge is important to Fern Creek/Highview United Ministries' operation (A minimal amount that several churches consider is 2% on their unencumbered budget. Based upon size there are churches that give as little as \$50 per month and some over \$600 a month.). Please indicate what your pledge will be, and when it will be paid; monthly, quarterly, etc.,

\$ _____ To be paid: _____

The most crucial ingredient of being a part of FC/HUM is a willingness to get involved. There are many ways this can be accomplished: providing volunteers for the ministry programs, providing food and other items for families in need, providing other supplies for programs, assisting with fundraising projects to support FC/HUM, serving on various task forces, opening your church's facility for FC/HUM events or programs, etc.

To schedule someone to come talk to your congregation about becoming involved, please call Rev. Ron Loughry, Executive Director at 762-9608 or e-mail execdir@fchum.org
